Position Description
Manages patient care of an assigned group of out-patients in accordance with the philosophy and policies of the appropriate division. Nurses at Northside are professionals committed to patients/families and all members of the Healthcare team. Our nursing practice reflects the values of collaboration, communication, coordination, integration, and empowerment. Infusion Registered Nurses are primarily responsible for administration of Chemotherapy on an outpatient basis. Our Registered Nurses are highly knowledgeable about chemotherapy, including writing orders, providing education to patients who will be receiving treatment, and in administration of the medications. These nurses are skilled in conducting on-going and critical patient assessments, while enjoying an autonomous work environment. Additionally, Infusion RN's request precertification, order medication, perform medication calculations, and access IV's/Ports and or start new access. Our Infusion Nurses have the opportunity to build lasting and supportive relationships with our patients and their family members. We are committed to providing highly compassionate and patient-centered Cancer Treatment. **Position Requirements**
Required: Must be a graduate of an accredited school of nursing. Demonstrated proficiency in skills applicable to designated area within probationary period. Certified in cardio pulmonary resuscitation (CPR). Preferred: National certification in specialty area. Cancer Center (Radiation Oncology ACLS certification and Oncology Certified Nurse (OCN). Prior Oncology or Infusion experience strongly preferred. Qualified candidates will have strong patient assessment skills, strong critical thinking skills, heavy IV experience, and excellent clinical knowledge and practice. **License/Certification Requirements:** Yes **Work Hours:** 8a-5p **Weekend Requirements:** No **On-Call Requirements:** No **WANT THE INSIDE STORY?** Our team members report that our state-of-the-art environment, work/life balance, reputation as a leader both locally and nationally, continuing education offerings, growth opportunities, and pay/benefits/pension plan are why they chose --- and chose to stay with --- Northside Hospital. Contact us today to learn more about careers at Northside. Side by side, there's nothing we can't achieve! **Service Area Overview**
Extraordinary cancer care Discovering what's possible at The Northside Hospital Cancer Institute --- it's something our patients do every day. When cancer is what they're up against, finding the right team to counsel,

support, treat, and monitor them is everything. When patients choose Northside, they are connecting with one of the largest and most respected providers of comprehensive cancer services in the Southeast. Our program has received an Outstanding Achievement Award as a Level 1 Accredited Comprehensive Cancer Center.
